
FOR IMMEDIATE RELEASE

Car seat clinic to be held at the Ottertail clinic

WADENA, Minn. – May 30, 2018 – Todd-Wadena Healthy Connections will hold a car seat inspection clinic on Thursday, June 14, from 3 to 7 p.m. at Tri-County Health Care – Ottertail Clinic. Families are encouraged to take advantage of this free safety inspection. Attendees do not need to be Tri-County patients.

A car seat inspection typically takes about 20 minutes and can help give you the tools and knowledge needed to protect your child in the event of an accident. Certified car seat instructors are on hand to make sure your child's car seat is safe, the right size and installed correctly. Certified child passenger safety practitioners will give car seat safety information to patients to ensure car seats are properly installed and that families leave safely.

Please call for appointments; however, drive-ups are welcome. For more information, or to make an appointment for the car seat clinic, call Sarah Riedel at 218-631-7538 or sarah.riedel@tchc.org.

ABOUT TRI-COUNTY HEALTH CARE

Tri-County Health Care is a private, not-for-profit health care system located in Wadena, Minnesota. It offers care services such as minimally invasive surgery, cancer care, diagnostic imaging, obstetrics and rehabilitation. Tri-County operates a 25-bed hospital and medical clinic in Wadena, as well as six satellite clinics and three physical therapy clinics across Todd, Wadena and Otter Tail counties. Satellite clinic locations include Henning, Bertha, Ottertail, Sebeka, Verndale and Baxter. Visit TCHC.org.
