### Embrace Women’s Health Clinic to close

**WADENA, Minn. – Oct. 15, 2018** – Embrace Women’s Health Clinic in Baxter, owned and operated by Tri-County Health Care, will close on Wednesday, Nov. 14. The decision was based on the performance and patient volume of the clinic.

Tri-County is committed to making this closure a smooth transition for Embrace patients. They may choose to continue care with Jennifer Arnhold, M.D., who will continue serving patients Monday through Thursday at Tri-County Health Care in Wadena. Rhoda Rees, FNP, plans to pursue other professional endeavors.

If patients wish to transfer care to another provider, Tri-County will help them establish this care. With their permission, a copy of patients’ medical records may be transferred to their chosen provider. To access authorization forms, visit [TCHC.org](http://TCHC.org) and click “Medical Records” under the “Patients & Visitors” tab. For additional questions, contact medical records at 218-631-7505.

Plans regarding the facility have not been solidified, but Tri-County is exploring various options.
