Tri-County Health Care Foundation offers grants

WADENA, Minn. – March 13, 2019 – The Tri-County Health Care Foundation is offering grants for area non-profit organizations.

The TCHC Foundation Grant was created to help organizations fund activities that promote health care and education in the Tri-County service area in Wadena, Todd and Otter Tail counties. Past grant funds have gone toward local first responder equipment, AEDs, and wellness and health activities.

The Moen Brothers Endowment/Disabled Children's Endowment was established in 2012 to assist area youth throughout the year. The grant is for equipment or educational programs that specifically benefit a youth with physical or cognitive impairments and lives within the Tri-County Health Care service area.

To start your proposal for funding, please complete and submit a grant application form at TCHC.org/foundation.

The application deadline is Monday, April 15. The Foundation accepts grant applications semi-annually. All completed submissions that meet the review criteria will be reviewed and considered for funding.

ABOUT TRI-COUNTY HEALTH CARE FOUNDATION

The Tri-County Health Care Foundation is a private charity established in 1994 by the hospital to attract and administer charitable funds for the benefit of the communities and surrounding areas served by Tri-County Health Care. Tax deductible gifts support education, technology, patient care and equipment. Financial donations stay local and have a direct and lasting impact on your family, friends and neighbors.
