Tri-County Health Care offers omicron vaccine

WADENA, Minn. – Sep. 13, 2022 – Tri-County Health Care is now offering omicron-specific booster doses. This new round of vaccination is considered bivalent and targets the initial strain of COVID-19 and current variants.

This next phase of vaccination targets people 12 and older. This age group can receive the omicron-specific vaccine two months after getting the primary series or booster dose.

Omicron-specific boosters are available at the Wadena Clinic. There are plans to offer this vaccine at other Tri-County Health Care facilities in the future.

Tri-County Health Care will offer the omicron vaccine Monday through Friday from 9 a.m. to 4 p.m. For more information and scheduling, please call 218-631-3510.

ABOUT TRI-COUNTY HEALTH CARE

Tri-County Health Care is a private, not-for-profit health care system based in Wadena, Minnesota. It offers care services such as primary health, surgery, cancer care, diagnostic imaging, obstetrics, orthopedics and rehabilitation. Tri-County Health Care operates a hospital and medical clinic in Wadena, and serves the counties of Wadena, Todd and Otter Tail through five satellite clinics and two physical therapy clinics in Bertha, Henning, Ottertail, Sebeka and Verndale.
