Ottertail Clinic reopening in December

WADENA, Minn. – Dec. 06, 2022 – The Ottertail Clinic will reopen to patients on Dec. 15 after several months of renovations. In June 2022, high winds and heavy rain severely damaged the roof of the clinic. The interior of the building received extensive damage requiring a total overhaul.

The Ottertail Clinic is getting an aesthetic upgrade, complete with new amenities. Clinic organizers have coordinated a community open house on Jan. 11. This open house is an opportunity for residents to see the new clinic while enjoying refreshments and snacks.

Additionally, the Ottertail Clinic will now offer chiropractic services. Carissa Mitchell, DC, will see patients every Tuesday beginning on Dec. 20. Chiropractic appointments can be scheduled online at TCHC.org/chiro.

Prior to the Dec. 15 reopening date, patients are encouraged to call the Henning Clinic at 218-583-2953 to see their Ottertail Clinic provider. For more information about the new clinic and upcoming open house, visit TCHC.org or follow Tri-County Health Care on social media.
