Parkers Prairie School District awarded \$1,600 grant

WADENA, Minn. – June 13, 2019 – The Tri-County Health Care Foundation recently awarded a Moen Brothers Grant for \$1,614 to the Parkers Prairie School District. The school district received the grant to help purchase a sound system for high school classrooms. This system includes a speaker, teacher mic, student mic, and a device to hook up to a computer and smart board. This device will help give students with hearing impairments equal access to classroom instruction.

The Moen Brothers Endowment/Disabled Children's Endowment was established in 2012 to assist area youth throughout the year. The grant is for equipment or educational programs that specifically benefit a youth with physical or cognitive impairments and lives within the Tri-County Health Care service area.

The Tri-County Health Care Foundation accepts applications for the Moen Brothers Endowment on an ongoing basis throughout the calendar year. The applications are reviewed regularly by the Tri-County Health Care Foundation Board. For more information or to apply for Foundation grants, visit TCHC.org/foundation.

ABOUT TRI-COUNTY HEALTH CARE

Tri-County Health Care is a private, not-for-profit health care system located in Wadena, Minnesota. It offers care services such as primary health, surgery, cancer care, diagnostic imaging, obstetrics, orthopedics and rehabilitation. Tri-County operates a hospital and medical clinic in Wadena, as well as five satellite clinics and two physical therapy clinics across Wadena, Todd and Otter Tail counties. Satellite clinic locations include Bertha, Henning, Ottertail, Sebeka and Verndale. Visit TCHC.org.
