
FOR IMMEDIATE RELEASE

ReadyCare transitions to COVID clinic

WADENA, Minn. – Nov. 23, 2020 – Due to the surge of COVID-19 cases in the region, ReadyCare has transitioned to only seeing patients with COVID symptoms, Monday through Friday. On Saturdays, it will return to seeing all walk-in patients, but with workflows in place to separate COVID-suspected and COVID-positive patients from others.

Tri-County Health Care continues to encourage patients to seek care when needed. All efforts will be made for negative-screened patients with acute care needs to be seen the same day in our primary care clinics rather than being offered ReadyCare. The Emergency Room remains available for all urgent medical needs.

Patients needing care should call 218-631-3510 for further instruction on scheduling an appointment.

ABOUT TRI-COUNTY HEALTH CARE

Tri-County Health Care is a private, not-for-profit health care system based in Wadena, Minnesota. It offers care services such as primary health, surgery, cancer care, diagnostic imaging, obstetrics, orthopedics and rehabilitation. Tri-County Health Care operates a hospital and medical clinic in Wadena, and serves the counties of Wadena, Todd and Otter Tail through five satellite clinics and two physical therapy clinics in Bertha, Henning, Ottertail, Sebeka and Verndale.
