Urologists join Tri-County Health Care specialty services

WADENA, Minn. – Aug. 4, 2017 – Tri-County Health Care added a new team of visiting board-certified urologists to its Wadena Clinic specialty services thanks to a partnership with Essentia Health. The team of Scott Wheeler, M.D.; Bradley Qualey, M.D.; and Eric Chapman, D.O., starts on Wednesday, Aug. 9.

Wheeler, Qualey and Chapman provide medical and surgical treatment for a wide range of urological conditions including male infertility, urinary incontinence, kidney stones, overactive bladder, hematuria, recurrent urinary tract infections and urological cancers.

The urologists are also devoted to treating children from infancy through adolescence, offering a large spectrum of pediatric services such as unstable bladder, nighttime incontinence, bed wetting and recurrent urinary tract infections.

To make an appointment or for more information, call 218-631-7579 or visit tchc.org/urology.

ABOUT TRI-COUNTY HEALTH CARE

Tri-County Health Care is a private, not-for-profit health care system located in Wadena, Minnesota. It offers care services such as minimally invasive surgery, cancer care, diagnostic imaging, obstetrics and rehabilitation. Tri-County operates a 25-bed hospital and medical clinic in Wadena, as well as six satellite clinics and three physical therapy clinics across Todd, Wadena and Otter Tail counties. Satellite clinic locations include Henning, Bertha, Ottertail, Sebeka, Verndale and Baxter. Visit www.tchc.org.
