Last baby at Legacy Campus

WADENA, Minn. – Mar. 29, 2023 – Kaylee Yoder and DeShaude Ghoston welcomed Acarie Ghoston on Mar. 23, 2023 at the Astera Health Legacy Campus. This was the last birth at the long-standing medical facility.

With nervous excitement, Yoder entered the facility at 2:35 a.m. for her much-anticipated birth. The birth went smoothly with no issues. When asked about the milestone, Yoder responded, "it feels cool to be the last one." Furthermore, she explained that it would make for an interesting birth story.

The Astera Health Legacy Campus, formerly Tri-County Health Care, has been the birthplace of thousands of babies since it opened in 1974. For more information about Astera Health, visit asterahealth.org.
