Bluffton Lions donate benches to Astera Health

WADENA, Minn. – May. 26, 2023 – The Bluffton chapter of the Lions Club donated two benches to Astera Health on May 11. These benches were made from recyclable materials.

Astera Health staff coordinated with the Bluffton Lions and sent packing materials and other recyclables to the club for the project. The Bluffton Lions has done this previously and can produce two to three benches each year.

The benches will be placed near the new Astera Health Campus for patients and visitors to enjoy.

The Lion's Club is an international service organization dedicated to improving the well-being of communities through volunteering and civic duty. To learn more about the Bluffton Lions, visit their Facebook page.
